**STIPULATION TO SUSPEND THE PROCEEDING WHILE THE PARTIES SEEK TO
COMPLETE SETTLEMENT**

The parties, Gurwitch Products, LLC and LED Technologies, LLC, have agreed and request that this proceeding be suspended for another 90 days as they seek to complete settlement of the matter. The parties previously requested and were granted a suspension which expires today. However, the parties are still in the process of the appropriate written agreement. However, if for some reason the parties cannot complete the settlement, when the suspension is removed, the parties request that all dates, beginning with the discovery cut-off, be reset, as the parties suspended discovery as they attempted to settle the matter. Applicant's attorney, Matthew H. Swyers, has consented to this extension of time.
